

## Hansons services to become Diamond Bus services

From 27th August 2017

From Sunday 27th August, Hansons services will be operated by Diamond Bus.

From this date Hansons tickets will no longer be available and Diamond Bus fares will apply to all services.

By transferring to Diamond tickets and passes you can benefit from access to a much bigger network of services across the West Midlands and Worcestershire.

Hansons ticket machines will be replaced with new machines and you will now pay your fare directly to the driver.

Diamond tickets can be purchased on-bus using Cash or Contactless Payment Cards. Selected tickets and passes are also available from our Website and from our Mobile App.

Swift and nBus tickets will continue to be accepted.

Further ticket information can be found at:
